### WHAT IS THIS FEE FOR?

Vacation rental homes and vacation club villas use extra resources at Casa Linda. Security, the front gate and front desk are particular areas where extra resources are needed. We often need extra security to manage renters at check-in and the re-entry process. In addition, we constantly need to monitor behaviour and noise (day and night) and react accordingly. Each renter will now be required to wear a bracelet to show they are registered at Casa Linda. The above fees reflect the costs and amounts needed to properly ensure outstanding services for renters and tranquility for our owners.

### FEES INCLUDE:

- Free use of the shuttle bus
- Expedited check-in at the security gate/front desk for renters
- Free welcome drink at check-in at the concierge desk

- 10% discount at Castaway's Restaurant (food only)
